

Private and Confidential

This log is designed to help organize your important digital accounts and documents. Due to the sensitive nature of digital assets, keep this log in a **secure and private location**, such as a fireproof safe, and only share it with a trusted, legally designated individual. The loss of access credentials can render these assets permanently inaccessible. Never share this information with Restfully.

## Access to Documents

To access digital documents (e.g., legal, financial, personal files) stored on your computer or cloud services, you will need the following primary credentials:

Type of Access	Details (e.g., Computer Password, Encryption Key, Cloud Login)	Location of Physical Key/Backup (e.g., 'In safe deposit box at Bank X')
Primary Computer/Device Access		
Main Cloud Storage Login		
Encryption/Disk Password (if applicable)		
Backup Drive/System Access		

## Security and Distribution Acknowledgments

- ☐ I acknowledge that the information in this document is highly sensitive and understand the risks of unauthorized access. I will never share this information digitally. I have taken precautions to store this log securely and will only share it with my legally recognized fiduciary or digital executor.
- ☐ This is a resource from [RestfullyCare.com](https://restfullycare.com) and is not intended to serve as a legal document. Visit [blog.restfullycare.com/legal/](https://blog.restfullycare.com/legal/) for information on how to document your wishes in a legal way, so you leave a legacy of love for those you leave behind.
