

# Create Your Will or Trust Today

Get priceless peace of mind for you and your loved ones by creating an estate plan

## Common Myths

#1

“I’m too young and healthy to need an estate plan”

**Fact Check:**

Planning is for anyone who wants to prepare for the unexpected

#2

“Estate plans and trusts are only for rich people”

**Fact Check:**

Planning is for anyone who wants to reduce the burden on their loved ones

#3

“Everything will automatically go to my kids/spouse”

**Fact Check:**

Without a plan your assets will go through a legal process called “probate”

## Estate Plans Are For Everyone

An estate plan ensures your wishes for your assets and medical care are honored if you can't make decisions yourself or you pass away
